

AN APPEAL

We are a registered trust with the name God's Special Children Foundation rendering services to the Special Needs Children along with other therapies.

In view of the ongoing COVID-19 pandemic, we want to specifically cater to the families of Special Needs Children by giving them basic medical kits to ensure the first line of treatment is provided.

Apart from this we want to provide rations to families who are finding difficult to make ends meet.

It's great to see many generous souls doing their bit to help us from different sections of the society during this pandemic by providing essentials.

The Cost of Medical kit is Rs 2550/- which comprises of Infra-Red Thermometer (1 no), Oxy Meter (1 no), & Masks (3 no's).

The Ration Kit costs Rs 1950/- per month for a family of three members which consist of Rice, Dhal, Sugar, Salt, Oil, Tamarind, Atta, Maida & Spices.

In view of the above, we hereby request your generous support by providing financial help by way of donations/ contribution/ sponsorship towards the cost of Medical and Ration kits which amount to **Rs 4500/-** which will be a blessing to these families and to the Special Needs Children.

You may either contribute towards both kits or any kit.

Thanking you in advance for your helping hand towards our Trust.

Please do contact the undersigned for more details or send your token of care and understanding.
